## LABOR AND THE RAILROADS (CLASSIC REPRINT)

DOWNLOAD

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Labor and the Railroads The great social problems of the day, such as those that have arisen between capital and labor, the trusts and the people, the railroad employee and the railroad manager, are being treated and thought out by American public opinion with marked hesitation. But while this public opinion is drifting around in a sea of theories, corporations and labor unions know just what they want, and, for the most part, how to secure their desired concessions and privileges. In this way, all preconceived notions of the fitness of things, and of the social results to be expected from modern industrial methods, have been completely upset. Carried off their feet by well-directed and organized assaults, political economists and leaders of widely different schools of thought are now in danger of losing their bearings. In a word, the situation is fast resolving itself into a great social and industrial dilemma. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
