## SOCIO-PSYCHOLOGICAL DIMENSIONS OF WOMEN EDUCATION

Gyan Books Pvt. Ltd., New Delhi, India, 2001. Hardcover. Book Condition: New. Dust Jacket Condition: New. Women have been the subject of study from the ancient to modern times. Comments on the nature of women, their ambitions and aspirations, their desires and wishes, their birth and upbringing, their relation with their husbands, paramours, children and relations have been the topic of discussions, comments conversations and investigations throughout the history of mankind. They have been branded as a mysterious creatures as well as devoted moters and self sacrificing wives at various periods of time in which the human civilization has evolved out from its primitive roots to an advanced scientific and technical culture. With the advent of the new millennium we find that the Indian women are joining in increasing numbers the men in all areas in many cases. This trend is creating stresses in the family life. The old conservation notion that woman?s rightful place is in home still develops situations of conflict. Under the shadows of conflicts and stresses the education of the women has to be planned, propagated and provided. In the present book the stresses and conflicts of the working and non-working women are highlighted and the role of education in meeting the challenges of the modern life is discussed. What will be the futuristic trends in women education? Whether women education should be of the same pattern as the education of men? If not then why and what type of education is required for them? Should women be trained for joining the works or only as the housewives? These are some of the questions, being raised about women education in this book. The book deliberates upon the appropriate measures that ought to be taken regarding women education so that an era of equality, dignity, esteem, self-respect and self-confidence...
