Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.

Brand New Book ***** Print on Demand *****.Excerpt from Wheeling It cannot be denied that Cycling, ever since its introduction into this country as a means of locomotion, has been in want of a reliable Road Book specially adapted for its requirements - in short, one that will afford full information as to mileage, hills, and surface of, at least, the great trunk roads. A strong proof of this, if any be needed, can be readily found by reference to the columns of the papers devoted to the pastime, where enquiries about roads, c., may be seen almost every week. Road Books are by no means a new invention, but without beginning so far back as the Itinerarium of Antoninus - the earliest specimen extant of a Road Book - it will suffice to mention Cary's and Peterson's Roads, both of which ran through many editions between 1780 and 1830, an interval that embraces the heyday of the coaching period. With the introduction of railways, travelling by road was gradually discontinued, and coaching almost died out. When, however, the bicycle was invented, the Queen's highway once more became extensively used, and wheelmen traversed the length and breadth of the island. Road information was eagerly sought for, and the bicycling press did its best to meet the requirements of the day, while the earlier Annuals contained a small collection of road routes described for bicycling. But the first public suggestion I can find of a Road Book specially adapted ad usum bicyclorum was in a letter that appeared three or four years ago in Bicycling News over the then familiar nom de plume of Essedarius. Since then several attempts have been made...
