Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

BURMA'S SPRING: REAL LIVES IN TURBULENT TIMES

River Books. Paperback. Book Condition: new. BRAND NEW, Burma's Spring: Real Lives in Turbulent Times, Rosalind Russell, "Rosalind Russell has written an extraordinarily beautiful, comprehensive and compelling story of Burma in a remarkably human way - essential reading for anyone interested in understanding Burma today." Benedict Rogers, author of Burma: A Nation At the Crossroads. "Burma's Spring is like nothing else written about Burma - compelling, charming and unique. No other book I know of has got under the skin of such a wide variety of Burmese, bringing them to life on the page." Peter Popham, author of The Lady and the Peacock: The Life of Aung San Suu Kyi. Burma's Spring documents the struggles of ordinary people made extraordinary by circumstance. Rosalind Russell, a British journalist who came to live in Burma with her family, witnessed a time of unprecedented change in a secretive country that had been locked under military dictatorship for half a century. Through her remarkable encounters as an undercover reporter, she unearthed the real-life stories of a rich array of characters and followed their fortunes over a tumultuous era of uprising, disaster and political reform. From the world famous democracy leader Aung San Suu Kyi to the broken-hearted domestic worker Mu Mu, a Buddhist monk to a punk, a palm reader to a girl band, these are stories of tragedy, resilience and hope-woven together in a vivid portrait of a land for so long hidden from view.
