Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

POSSESSIONS: NEW & SELECTED POEMS, 1938-1985

David R. Godine, USA, 1986. Paperback. Book Condition: New. 1st Edition. 160pp . [In stock in Australia, for immediate delivery] This book of selected poems, really the best of Ben Belitt, is a great contribution to American letters. For nearly 50 years Belitt crafted this verse as powerful, original, and challenging as any in our language. Poet, translator, scholar, and critic, Belitt has a range of tone and a command of subject that is truly extraordinary. In this volume we find diverse poems of a singular voice. Belitt is a poet of iconoclastic passions, one who is able to take personal events and transform them into magical verse sequence of words, images, and thoughts. He has always had a particular gift for turning autobiography into art, his personal geography into verse of universal meaning and poignancy. In reading the best poems of Ben Belitt one is passed through a screen of artistry into the open air of mature, deep, universal significance. He has pointed his finger to the depths of the heart - Richard Eberhart, New York Times Book Review.
